

For

I am being supported by Scotty's Little Soldiers as my parent, who served in the British Armed Forces, has died. Scotty's are a UK based charity who are available to help and support me whenever I need it.

I have lots of different feelings and emotions because of what happened to me and my family. Sometimes I need a little extra support and I thought of you.

Scotty's have suggested I think of ways that people can help me when life feels tough. Please take a look at my ideas and see if you can help me make a plan. Thank you!
